Nominating Form for Maurice H. Roberts Award

The highest honor bestowed by the ET Seminar Committee is the prestigious Maurice H. Roberts Award. The Committee invites you to nominate an individual for the Award by completing and submitting the following form. You may submit more than one nomination. If you do, please use a separate form for each nominee.

Maurice H. Roberts, namesake of this high honor, was an aluminum extrusion pioneer and one of the founders of the world-famous ET Seminars that take place every four years. The next Seminar, ET '12, will be held May 15-18, 2012 at the Fontainebleau Miami Beach Resort in Miami, Florida USA. Winner(s) of the Award, if any, will be announced at ET '12. In addition to Roberts, who won the first award in 1984, past winners include : Robert Werner, Werner Co. (1988), Roy Fellom, Light Metal Age (1992), Ivar Hafsett, Norsk Hydro (1996), Donn Sanford, AEC (2000).

Criteria for identifying nominees and a possible award winner are as follows:

- ***Industry Impact.*** Nominees should have had a significant positive impact on the worldwide aluminum extrusion industry.
- ***Teacher.*** Nominees should have a demonstrated track record of giving freely of what they've learned, so that others who follow may benefit.
- ***Personal Contribution.*** Nominees should be personally involved and "not afraid to get their hands dirty".
- ***Qualified.*** Nominees should have expertise that benefits the extrusion industry, though it need not be technical.
- ***Leader.*** Nominees should inspire followers and be well known in the industry.
